OFFICIAL POLICY ISSUANCE NOTICE: This Certificate of Health Insurance confirms that Mr. Koppula Venkata Ramudu and his registered dependent family members are enrolled under the Dr. YSR Aarogyasri Health Care Scheme converged with Ayushman Bharat PM-JAY. Under the specific terms of this policy schedule, 100% is not insured by the insurance company. Admissible hospitalization claims are adjudicated under an 80% Insurer Liability / 20% Policyholder Co-Payment Structure. All services must be availed across recognized empanelled network hospitals upon valid biometric/Aadhaar verification.

TERMS OF HEALTH INSURANCE COVERAGE & OPERATIVE CO-PAYMENT CLAUSES**REGULATORY TERMS GOVERNING DR. YSR AAROgyASRI & AYUSHMAN BHARAT ASSURANCE SCHEME****SECTION 4: OPERATIVE CLAUSES, BENEFIT HEADS & INDEMNITY LIMITS****4.1 Non-100% Insurance Underwriting Mandate (80:20 Risk-Sharing Clause):**

It is an express term and condition of this Health Insurance Policy that **100% coverage is not provided by the insurance company / Trust**. For any admissible in-patient, surgical, day care, or oncological hospitalization, the insurance underwriter shall be liable to indemnify exactly **80% of the admissible approved package tariff** on a cashless basis. The remaining **20% represents the mandatory beneficiary co-payment**, which shall be borne by the insured policyholder directly at the empanelled network hospital.

4.2 In-Patient Hospitalization Benefit (IPD):

Coverage extends to medically necessary room, boarding, and nursing expenses; intensive care unit (ICU / ICCU) charges; specialized physician and surgeon fees; anesthesia; surgical procedures; operating theater costs; and essential surgical implants authorized under the scheme schedule, subject to the statutory 80:20 cost-sharing terms.

4.3 Medical & Surgical Oncology Comprehensive Cover:

The policy covers specialized cancer treatment modalities including surgical oncological resections, medical oncology protocols, chemotherapy cycles, targeted molecular therapies (Tyrosine Kinase Inhibitors including Imatinib), radiation oncology, and specialized post-operative biopsy/histopathology evaluation (POST-OP HPE) as authorized by the Multidisciplinary Tumor Board.

4.4 Day Care Treatment & Advanced Medical Regimens:

Medically necessary procedures and advanced treatments undertaken in an empanelled network hospital requiring less than 24 hours of hospitalization due to modern technological advancements (including targeted chemo infusions, hemodialysis, and specialized minor surgical resections) are fully admissible within the 80% insurance underwriting schedule.

4.5 Pre-Hospitalization & Post-Discharge Medical Coverage:

- *Pre-Hospitalization*: Diagnostic investigations (laboratory tests, pathology profiles, radiological imaging, CT scans) conducted up to **5 days prior** to hospitalization that directly relate to the authorized episode are enveloped into the approved package.
- *Post-Hospitalization*: Entitlement includes the supply of prescribed post-discharge oral medications for up to **10 days**, follow-up consultations, and post-operative stitch removals at no supplementary charge outside the approved schedule.

SECTION 5: PRE-EXISTING ILLNESS CLAUSE & WAITING PERIOD STIPULATIONS

5.1 Day-One PED Coverage: All pre-existing diseases, chronic conditions, and long-standing comorbidities documented at the time of enrolment are covered with **zero waiting period (Day 1 Cover)**, provided the policyholder possesses an active BPL/White Card and biometric verification on the Trust portal.

5.2 Family Floater Limit Utilization: The annual floater sum insured of Rs. 5,00,000/- is available collectively to all four enrolled family members. Once 80% insurer-approved claims reach the cumulative threshold within the policy period, additional claims remain subject to Trust catastrophic fund provisions or government discretionary top-ups.

5.3 Portability & Convergence: This policy integrates seamlessly with Ayushman Bharat PM-JAY national portable network guidelines, enabling eligible secondary/tertiary admissions across all recognized national network facilities.

POLICY EXCLUSIONS, NON-PAYABLE EXPENSES & PRE-AUTHORIZATION PROTOCOLS

REGULATORY BOUNDARIES, STATUTORY EXCLUSIONS & STEP-BY-STEP ADMISSION RULES

SECTION 6: STANDARD POLICY EXCLUSIONS & SPECIFIC NON-COVERED EXPENSES

- 6.1 Purely Cosmetic & Aesthetic Treatments: Surgeries or clinical interventions undertaken primarily for aesthetic, cosmetic, or reconstructive enhancement not necessitated by oncology resection, trauma, congenital anomalies, or burn contractures.
- 6.2 Outpatient Care Exclusions: Standalone out-patient department (OPD) visits, routine prescription purchases, and general checkups not leading to authorized in-patient or listed day care hospitalization (primary OPD is facilitated via Govt. Village/Ward Secretariats and PHCs).
- 6.3 Non-Empanelled Healthcare Providers: Medical treatment received in private healthcare institutions not empanelled with the Trust, except in emergent life-threatening resuscitation circumstances subject to ex-post facto Trust Board sanction.
- 6.4 Personal Luxury & Comfort Expenses: Non-clinical comforts including deluxe/private room suite upgrades, telephone charges, extra attendant dietary preferences, personal toiletries, and special private nurse requests.
- 6.5 Unproven & Experimental Modalities: Experimental clinical trials, alternative therapies without established evidence base, and unauthorized drug regimens not sanctioned by standard ICMR or NCCN clinical oncology protocols.

SECTION 7: STEP-BY-STEP CASHLESS ADMISSION & PRE-AUTHORIZATION WORKFLOW

STEP 1	Helpdesk Verification (Vaidya Mithra)	The beneficiary presents the Dr. YSR Aarogyasri Health Card (WAP133701700252/01) or Aadhaar Card at the 24x7 helpdesk situated in any empanelled network hospital. The Aarogya Mithra / Vaidya Mithra verifies eligibility via Aadhaar biometric authentication.
STEP 2	Specialist Clinical Assessment & Diagnosis	The attending specialist / surgical oncologist examines the patient, establishes diagnostic criteria (clinical staging, radiological scans, biopsy HPE), prepares the treatment protocol, and initiates an electronic Pre-Authorization Request Form (PRF) through the Trust MIS portal.
STEP 3	Trust Adjudication & Pre-Auth Sanction	The Trust Medical Board reviews clinical reports and issues electronic Pre-Authorization approval within 12 hours. The pre-authorization endorses 80% cashless insurance underwriting by the company/Trust and establishes the mandatory 20% co-payment payable by the patient.
STEP 4	Cashless Care Delivery & Discharge	The network hospital administers complete medical/surgical care. Upon discharge, the hospital collects the exact 20% co-payment against an official stamped receipt. The beneficiary receives a comprehensive discharge summary, 10 days of post-discharge medicines, and follow-up guidance.

MANDATORY COST-SHARING DIRECTIVE: Network healthcare providers are strictly prohibited from demanding any upfront deposits or unauthorized charges exceeding the adjudicated 20% co-payment. Beneficiaries must insist on an official system-generated payment receipt for any co-payment sum remitted at the hospital billing desk.
